Sir:

Responsive to the Office Action of December 13, 2002, reconsideration and withdrawal of the rejection made therein is respectfully requested, in view of the following amendments and remarks. Inasmuch as the three-month shortened statutory period was originally set in the Office Action to expire on March 13, 2003, Applicants hereby request an extension of time for three (3) months and are concurrently filing a formal Request for Extension of Time, together with all requisite fees therefor. If for any reason the formal Request for Extension of Time is not associated with the file at the Patent and Trademark Office or the extension fee is deficient, this should be considered to be an express request for any necessary extension of time and authorization for the Commissioner to charge any necessary extension of time fee to Deposit Account No. 19-0089.
